Work Experience

Tata Advanced Systems Limited – Aerospace Division

Aug 2021 – July 2022

Diploma Junior Engineer

- Gained hands-on experience in composite manufacturing processes for aerospace applications.
- Operated machinery, monitored process control parameters, and maintained technical documentation.
- Demonstrated a strong understanding of aerospace quality standards and adhered to safety procedures.

Internship

Cognifyz Technologies

Mar 2026 – Apr 2026

UI/UX Design Internship

- Gained hands-on experience in composite manufacturing processes for aerospace applications.
- Operated machinery, monitored process control parameters, and maintained technical documentation.
- Demonstrated a strong understanding of aerospace quality standards and adhered to safety procedures.

Training

Lovely Professional University

Jan 2025 – Feb 2025

Figma Fusion (UI/UX Design)

- Developed a strong understanding of UI/UX laws and fundamental UI/UX design principles.
- Gained hands-on experience in user research, wireframing, prototyping, and usability testing.
- Designed multiple UI/UX projects using Figma with a focus on user-centered and intuitive design.

Projects

Redesign AC Remote App's

Jan – May 2026

Description: Description: Redesigned the user interface and user experience of an air conditioner remote to improve usability, accessibility, and interaction clarity. Focused on simplifying control layouts, improving visual hierarchy, and reducing user confusion through intuitive design decisions and human-centered workflows.

Technologies Used: Figma, UI/UX Design Principles, Wireframing, Prototyping, Usability Testing.

Achievement: Improved user interaction efficiency and reduced operational complexity by creating a more intuitive, visually consistent, and user-friendly remote control design.

Redesign TATA 1mg App's

Aug – Nov 2025

Description: Redesigned the TATA 1mg mobile application to enhance user experience, improve navigation flow, and simplify access to healthcare services. Focused on optimizing information architecture, improving visual consistency, and creating a more intuitive journey for medicine ordering, lab bookings, and health consultations.

Technologies Used: Figma, UI/UX Design Principles, Wireframing, Prototyping, Usability Testing.

Achievement: Improved usability and user engagement by streamlining key workflows and delivering a cleaner, more accessible, and user-centric app design.

CareerBoost App's

Jan – May 2025

Description: Designed and developed CareerBoost, a unified career development platform that helped students and professionals navigate career paths through simplified workflows, structured roadmaps, and an intuitive, user-centric experience.

Technologies Used: Figma, UI/UX Design Principles, Wireframing, Prototyping, Usability Testing.

Achievement: Improved user clarity, engagement, and decision-making by delivering an all-in-one, intuitive career guidance platform that reduced resource fragmentation and enhanced overall usability.

Certificates

Project Management University of Colorado Boulder Coursera	Jan 2026
Object Oriented Programming using C++ Lovely Professional University skilldevelopment.lpu	Aug2024
ChatGPT Playground for Beginners: Intro to NLP AI Coursera Project Network Coursera	Apr 2024
Prompt Engineering for ChatGPT Vanderbilt University Coursera	Feb 2024
Introduction to Large Language Models Google Cloud Community India Courser	Jan 2024

Technical Skills

Design Tools: Figma, Canva, PhotoShop
UI/UX Skills: User Research, Wireframing, Prototyping, Usability Testing, Design Systems, Information Architecture, User Flows
Tool/Platforms: Visual Studio Code (basic), GitHub (design collaboration), Miro
Soft Skills: Design Thinking, Leadership, Project Management, Time Management, Communication

Education

Lovely Professional University Computer Science and Engineering – CGPA: 6.91	2023 – 2026 Phagwara, Punjab
Nettur Technical Training College (NTTF) Diploma in Mechatronics Engineering – CGPA: 8.18	2018 – 2021 Jamshedpur, Jharkhand
Chinmaya Vidyalaya South Park (CBSE) 10 th – grade – Percentage: 63%	2006 - 2017 Jamshedpur, Jharkhand
